RAVE REVIEWS
from Live Virtual Trainings

SARCs, VA,s & Educators are talking:

“An honest conversation about how our words can defeat our prevention goals.”

"Captures how we can change our thoughts and responses quickly and radically.”

“The most interactive webinar you will ever attend.”

"Helped me create a more refined and human internal dialogue not only for educating, but for how I talk to myself."

“I was able to gain more ways to handle or engage victim blaming conversations without using words that just come from anger."

"A very informative training that all service providers should attend."

Both a lesson and a reminder that our actions and choices do not give any person the right to do as they please with us."

"I don't know anyone who would not benefit from this training.”

"I learned so much in 1 hour!"

“I will stand up for people in risky situations.”

"Amazing. So insightful. The best thing - is that everything taught is very easy to transfer to our everyday lives."

"I would definitely recommend the next training to my Military peers."

“A different approach and that vocabulary and demeanor are everything.“

"Fast paced with relevant information, not outdated or closed minded."

“Educational and thought provoking!"

“Very dynamic and practical information shared. Loved the tailoring based on the pre-survey."

“They missed an awesome seminar."

“Energetic & Informative… gave helpers that sometimes get tired a boost of energy to keep supporting those that need our assistance!"

“fun and interactive"

"Packed full of consent knowledge."

"I have truly loved all the sessions I've participated in and have learned so much."

"I already told my wife this was the best webinar I've ever participated in.”
