What everyone is saying:

Mike provides specific How-To skills each person can implement immediately for building a culture of respect. His preparation and mastery of the material has earned him the credibility and trust within Special Operations across the Department of Defense.

Mike Kontio, Master Sergeant in US Army (Ret OR-8)
Former Joint Special Operations Command SAPR/SHARP Program Manager.

"Mike held the toughest crowd on the Eastern Seaboard in the palm of his hand. He is the 'Student Whisperer'."

Sarah Ream, Teacher, Phillips Exeter Academy (NH)

"Mike's stories about his own parenting foibles are so relatable and his trustworthiness makes him an immediate ally to parents and an advocate for students."

Sarah Page, Parent (OR)

"Mike ran a session for our senior team. He tackles difficult subjects directly with tact and understanding. He is a master of respect and inclusion. He never backs away from a challenge when it is offered and provides his audience with easy-to-use tools and techniques to improve an organization's internal relationships."

Andrew Warrington, President, United Conveyor Corporation.
